THINGS TO KNOW

PARKING!

- **Park the extension office which is just down the hill from the horse ring.**

Preregistered Riders:

- You can pick up your packet on Saturday from 2pm - 4pm or Sunday morning before your race. If picking up your packet on race day, please do so 30 mins or more before your race.

Day of Registration:

- The cost is \$60 adult and \$15 youth. Cash makes this go much quicker. You have to register 30 mins or more before the start of your race.

Venue:

- Perry County Park is the venue, see map for parking info.
- Port-o-Johns are near the start/finish area.
- Food truck and a Lemonade Stand are planned for Sunday.
- We will have 5 gal water coolers with water and Ryno Power by registration.
- A bike wash will be set up thanks to our friends at Finish Line USA

Course:

- The race course is ranked as intermediate and some advanced. Pre-rides are suggested but not required. Pre-ride will open sometime after 9AM till 4:45 PM on Saturday.
- The trail is single and double track with man made rock features.
- The course will be marked and taped to make navigation easy. It's recommended to download the Strava Route/GPX and study the map to have confidence on race day. Links on website.

CHIP TIMING & NUMBER PLATE

You will get a number plate with a chip on it. ***USE THE SAME PLATE FROM FT. DUFFIELD, SULLBUSTER, or BUFFALO LAKE.*** If you did not race there you will get a new one. Keep this plate, you will use at all BGMC races for 2024. Notice that your chip can trigger timing while other races are happening, so please keep your bike away from the finish line during the races when you're just hanging out.

RAIN PLAN

It looks dry as it gets. This place does well with rain and if summer mountain shower hits it won't hurt us.

TRACKING PHONE NUMBER: 1-859-359-2077

If you use Strava Beacon or any similar tracking, please send your link to this number and/or email to josh@rocketpowerbrand.co

TRAILFORKS

PLEASE, download the Trailforks app. If you get hurt, lost, need help, etc this is a great app that we can use to help you on race day and beyond. Just hit the emergency button if you get in trouble in addition to calling 911.

RAIN OUT / REFUNDS

We race in the rain! These trails are great with taking rain and we have a local trail crew that is willing to help fix things after the event. We do not give refunds because of rain. Only if weather is severe and dangerous would we call the race, or cancel. If canceled, we will work to get the race rescheduled.

No refunds are our general rules if you decide not to race. We will look at a possible credit for another race. We will not consider a refund or credit within 48 hours of the event start.

CONTACT THE RD.

We're aiming to create the best MTB and short distance trail running series the state has ever known. Let us know your thoughts! Also, look into Rocketpower Brand Co. for any needs with marketing, design, signage and event services!
